Senior Photograher/Videographer/video editor

About Eyasu Demissie

Driven by a lifelong passion for visual storytelling, I'm Eyasu Demissie, a highly dedicated photographer, videographer, and video editor. My journey began with a Bachelor's degree from Hawassa University, where I cultivated my creative skills and developed a keen eye for detail.

My professional experience spans diverse environments, providing me with a well-rounded perspective and the ability to adapt to various project requirements. For several years, I served as the primary photographer, videographer, and video editor for ZOE Enlightened International Church, based in Jemo, Addis Ababa. In this role, I was responsible for capturing and creating impactful visual content for services, events, all form of social media and promotional materials.

During my time at Hawassa University, I also honed my skills as the dedicated photographer and videographer for the Main Campus Evangelical Christian Students Fellowship for 3 years, documenting their activities and producing engaging content for their social media community.

Beyond these roles, I've cultivated a thriving freelance career for over 3 years, working with both local and international clients (primarily through Upwork). This has allowed me to collaborate on a wide range of projects, from marketing videos and social media content to documentaries and short films. I have a proven track record of delivering high-quality work that exceeds client expectations.

My experience isn't just limited to capturing footage; I excel in post-production. I'm adept at transforming raw footage into polished and compelling narratives, using advanced editing techniques, motion graphics , typography, color correction, and sound design to create impactful visual experiences.

I am also the proud owner of Driven Design video and graphics design agency, an agency focused on helping businesses reach the right audience through social media.

I'm passionate about using my skills to help you bring your vision to life, crafting visuals that resonate with your audience and achieve your goals. Whether you need stunning photography, captivating video footage, or expertly edited content, I'm committed to delivering exceptional results every time. Let's collaborate and create something amazing!
